

Little Art Camas 2024

Guidelines for Artists

Little Art Camas is a community exhibit of original artworks made by local artists. Help support future downtown art projects by entering 3 “little” art pieces into this fun and meaningful art exhibit! All ages and skill levels welcome.

This event celebrates local art, makes original art available to everyone and encourages art appreciation and art collecting for all.

Little Art Camas is hosted by the Downtown Camas Association in the beautiful Fuel Medical Building Lobby, 314 NE Birch, in Downtown Camas.

Registration is open to the first 150 creators. Thank you for being part of Little Art Camas!

Interested in donating to The Little Art Camas Silent Auction? We are currently seeking donations of original art from local artists. We would love to accept every piece donated, but we have limited space available. If you're interested in submitting a piece of work for the auction, please send an image of the work to promotions@downtowncamas.com. The auction pieces will be chosen by the Little Art Camas Silent Auction Committee. Thank you for your consideration!

How to participate

There is a \$15 fee to participate which covers the cost of the three panels for submission. Print and fill out application form found here: <https://www.downtowncamas.com/event/littleartcamas>

Artwork must be created directly on or affixed to the panels provided. Each artist will receive three panels, with required identification labels to attach, per registration. Identification tags will be provided for each panel to affix to the backside when submitted. In the interest of fairness for those buying art, entries will not necessarily be displayed together. We encourage creating pieces that can be displayed separately.

Panel sizes are: one 5"x5", one 5"x7", one 8"x8". You are free to exchange sizes with other artists.

Panel Pickup times and locations: Please bring the completed application form.

- o Saturday, January 27 10am-2pm Fuel Medical Lobby, 314 NE Birch St, Downtown
- o Wednesday, January 31 10am-2pm DCA Office, 216 NE 4th, Suite 102

How to submit your art

Artwork may not exceed the edges of the panels provided and 3D works may not exceed 2.0 inches in depth including the panel. You may create directly on the panel or mount your work securely to the panel.

Original art only please. Works may not be copied from any published artwork or photograph. Copyright to your work belongs to you as the artist. Information can be found here:

<https://www.copyright.gov/circs/circ01.pdf>

No glitter or unfixed charcoal/pastels please as these may affect other nearby art.

It is **very important** for the show that you submit your art! If you are unable to complete your art pieces, let us know as soon as possible so we can give the opportunity to another artist. Thank you!

PLEASE NOTE: The DCA reserves the right to exclude any works with respect to suitability for this community-oriented exhibit. We wish to be considerate of artists and viewers with this all-ages event. The DCA will contact the artist personally to discuss any work in question.
