  - Each clue tells you who **DID NOT** do it or where the donutholes **ARE NOT** hidden.
  - Mark off the whole row or column for each clue.
  - Example below: if the clue was the color "gray", you would mark off **all boxes across in the "Lord Gray" row**. If the clue was "paper", you would mark **all the boxes down in the "The Mill" column**.
- **The box left open shows you "whodunit" and where they hid the popcorn!**
