 - Find each clue (the clue will represent a character or a location from chart below).
 - Each clue tells you who **DID NOT** do it or where the hat **IS NOT** hidden.
 - Mark off the whole row or column for each clue.
 - Example below: if the clue was the color "gray", you would mark off **all boxes across in the "Lord Gray" row**. If the clue was "movie", you would mark **all the boxes down in the "Liberty Theatre" column**.
- **The box left open shows you "whodunit" and where they hid the hat!**
- If you solve the mystery, post "Solved it" in the comments and you'll be entered to win a downtown gift card AND also a Camas hat from Papermaker Pride!
